

Varicose Vein Treatment

Fee For Service Price Estimates

At Hays Surgical Associates for the treatment of varicose veins, every effort will be made to bill your insurance carrier for treatments rendered. However, not all treatments are covered; in the event that the claim to your insurance carrier is denied, you will be responsible for the cost of your treatments. The following is a list of charges that may be incurred:

Endovenous Laser Ablation of the Saphenous Vein.....	\$2900
- per leg charge	
Laser Treatment of Spider/Reticular Veins.....	\$225/session
- please note most procedures will take at least 2-3 sessions	
Sclerotherapy.....	\$275/session
- per treated area	
- most areas require 4 to 5 sessions	
Ambulatory Phlebectomy.....	\$665
- per treated area	

Payments may be made by cash, check or credit card (Visa, MC, AmEx, Discover). Payment for procedures not covered by insurance will be due at the time of services. Every attempt will be made to obtain pre-determination from your insurance carrier prior to your procedure being scheduled. If you need assistance with billing or a payment plan, please do not hesitate to ask our staff for more information (512) 268-8050.
